EVERY WEDNESDAY

THE FIRST AND BEST REPORTS

THE big trials, scrambles and road races, at home and abroad, all fully reported and illustrated: eye-witness accounts brought to your breakfast table by Wednesday morning. Edited by Cyril Quantrill, *Motorcycle News* will provide the best news service that active motorcyclists, and thousands of others interested in the pastime, have ever enjoyed. The adoption of a newspaper format enables each report to receive all the space it deserves. There will be no "padding" to fill a page, nor will there be any arbitrary "cutting" to fit an article to its allotted area. Readers will get the news and views they want; and they will get it all on Wednesdays.

EASY TO READ

For those with the time to browse through more than 30 pages of editorial matter and over twice as many pages of advertisements, there is already more than one established and well-loved motorcycle journal. *Motorcycle News* is for the man in a hurry. Its bright presentation of the news—of sporting events, of the latest British and foreign motorcycles, and of everything else of interest to motorcyclists—will keep its readers quickly informed of all current developments.

It is the paper to read in the train, in the canteen, or in the workshop. It belongs to the second half of the Twentieth Century, and will cater particularly for the riders of today and of tomorrow.

EASY ON THE POCKET

BECAUSE it will never attempt to fulfil the dual—but to our way of thinking, opposed—roles of a newspaper and magazine, and because it will contain no thousands of words of "classy"...

THE NEWS YOU GET

AWAY from the main headlines there are many other minor happenings in the motorcycle world. The man who wishes to be well-informed about all aspects of his favourite pastime must know something of them.

All he wants are the bare facts. In short paragraphs, *Motorcycle News* will report these smaller happenings, at home and abroad.

Results of open-to-Centre sporting events, details of regulations available, information about A.C.U. and F.I.M. activities that are of interest to only certain sections of the motorcycle public; all such will find their corner in *Motorcycle News*. And its newspaper style presentation will enable readers to find the facts they want quickly.

FULL RESULTS

Will concise, factual reporting of a news story to be included in a short, easy-to-read article. *Motorcycle News* will never reduce results to absurdity.

OFFICIAL INTELLIGENCE

THE decisions taken by the various official motorcycling organizations concern all motorcyclists. This paper will maintain a close liaison with the Federation Internationale Motocycliste, which frames the international rules for the sport, and with the British Union, the Auto-Cycle Union, and the Royal Automobile Club, with its special motorcycle section, which operates a learner training scheme in conjunction with the A.C.U. And for .C. and an offer in these regularly in a newspaper.

MEN AND MACHINES

WE always think of the competitors in a sporting event not as numbers, names and...

RACING AT SNETTERTON

LADIES AND GENTLEMEN,

We, of the Snetterton Combine, welcome you here to-day for our first meeting of 1956.

We have to-day some household names in the sphere of Motor Cycle Road Racing, quite a number of you coming to see John Surtees on his M.V. Agustas, and wondering if he will break his own records to-day ; of course, that remains to be seen, but with drivers like Bob McIntyre, Gavin Dunlop, Geoff Tanner, Michael O'Rourke, and Alan Trow, just to mention a few, anything may happen. To-day's racing should, according to our entry, be the best ever. In the sidecar classes, which I am sure keeps everybody on their toes, we have several old favourites : Pip Harris, Jackie Beeton, Ernie Walker, Chris Warner and, for the second time at this circuit, Bob Mitchell, the Australian ; here again I have only mentioned a few because there are several who are making their first appearance on this circuit.

We hope you have a good afternoon's sport, and don't forget —when you leave this circuit and take to the road, please do so as quietly as possible.

Yours sincerely,

BOB HAVERS,

Hon. Sec. Snetterton Combine.
